Insurance Coverage

Welcome to Perinton Hills Chiropractic, PC. Your insurance policy is an agreement between you and your insurer, not between your insurer and this clinic. Like all types of care, coverage for chiropractic services varies from insurer to insurer and plan to plan. Most insurance policies require the beneficiary to pay co- insurance, co-payment and/ or a deductible. For example: If you have a deductible of \$ 100, and your insurance pays 80%, you are responsible for 20% of all charges incurred during the year after you have paid your \$100 deductible. All insurance information, including a copy of your current insurance card, must be presented prior to treatment. As a courtesy to you, our clinic will call your insurer to verify your chiropractic coverage; however, we are not responsible for your insurer's final payment and benefit determinations.

Payments

All co- payments and cost of treatments are due at the time of your visit. There is a \$25 fee for returned checks. Payments can be made by cash, check, or credit card.

Missed appointments

It is the policy of Perinton Hills Chiropractic, PC to assess a \$20 missed visit fee to patients who cancel appointments with less that a 24-hour notice. One missed visit will not result in the assessment of a fee, but you will be charged for any additional missed visits. This clinic provides care for many individuals and missed visits result in time lost that could have been used to provide care for others.

I understand that all health services rendered to me and charged to me are my personal financial responsibility. I understand and agree to the conditions of this policy.
